DESPAIR LURKS IN BAD BLOOD

Gude's Pepto-Mangan, the Blood-Builder, Arouses Dull Faculties.

Many a man and many a woman feels all out of sorts from thin, weakened blood. The least little thing goes wrong throws them into a wild form of despondency. Instead of bracing up and meeting ordinary difficulties, they are downed. Nerves are on edge. Appetite lags. Sleep is restless. They are weak and tired and dull. Poor blood works its havoc till the will loses its power. Few people who fall into habits of worry and despondency realize that most of their troubles are due to lack of endurance—to blood that has become weakened by overwork or straining.

Healthy men and women with rich, red blood see things brightly. They tackle life with zest and go along smilingly, full of eagerness and endurance. Gude's Pepto-Mangan taken steadily restores the blood to its natural richness. It actually makes red corpuscles, the tiny particles in blood which makes it red. Druggists have Gude's Pepto-Mangan in liquid and table form.—Advertisement.

Bath County Man Confesses to the Manufacture of Whisky—Others Are Arrested.

Mt. Sterling, Ky., Dec. 23.—Five men were arrested by Prohibition Officer Robert Duff with two deputies when they raided a moonshine still near Olympian Springs, Bath county, Wednesday night. They captured a 55-gallon still, a lot of whisky and 14 barrels of mash.
